

Member Portal Surveys Pagination

| New proposals and solutions

Solution

Below are the action items:

1. Currently, when a member access the Surveys tab, all the surveys are fetched at the same time. Now, we will be fetching the New Surveys by default, and other surveys in the subsequent tabs (Started and Finished) will be fetched upon clicking them.
2. Pagination will be added in all the tabs under Surveys. We will be displaying 10 surveys per page.
